### Help Those In Need!

Your Cooperative has again  
launched its Operation Share  
Partnership with the Salvation  
Army. Operation Share is a  
program that benefits DEC  
members who have fallen on hard  
times and may have problems  
paying their bills. The Salvation  
Army, an organization with a  
long history of helping others,  
is able to identify those who  
have experienced unfortunate  
circumstances. During the winter  
months, the Co-op includes an  
Operation Share envelope in two  
of its monthly bills. This gives DEC  
members a unique opportunity  
to contribute to their fellow  
members, who are in need. The  
Salvation Army administers the  
funds and makes all decisions on  
eligibility and fund distribution.
