

Celebrate Fall at Fifer Orchards!

Fall has arrived, ushering in a season of cool, crisp air, colorful foliage and fun activities for you and your family! One of the largest fall events takes place at Fifer Orchards west of Wyoming in Kent County. Fifer's Fall Fest runs through October 31st and will include you-pick apples, you-pick pumpkins, straw slides, zip swings and so much more. Visitors will be treated to a six-acre corn maze with trivia stations and an observation deck. On Saturdays, the orchard will feature live entertainment, hayrides, pony rides, face painting, bounces and community food vendors.

Tickets are \$5 for adults and \$8 for youth (ages 2-17). Children under two and adults over 70 are admitted for free! Delaware Electric Cooperative is proud to sponsor this fall activity and hope you and your family can attend this wonderful event. For more information, please visit www.fiferorchards.com.
