**\$50.69**

Payment due  
05/01/23

### Your Energy Snapshot

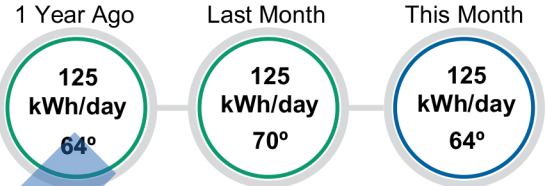

Learn more at [www.delaware.coop](http://www.delaware.coop) or download the DEC Connect app.

#### Kilowatt Hours

#### Your Energy Breakdown

This month's energy use and average temperature compared to last month's and this month last year.

Please note that the value recorded as 'Generation' is the amount of energy your wind or solar system sent onto the grid. This is not the total amount of energy your renewable system generated during the month.

**Message Center**

- ▶ You have 23 payments remaining of \$19.35 for the ECA Deferred Expense Recovery. Remaining Balance \$444.94.
- ▶ If you would like to pay the total amount in full, please call our office during business hours. DO NOT add the amount above to your current electric bill. Any additional payments sent with your monthly bill will be applied to your account as a credit, and the ECA Deferred Expense Recovery will remain on future bills.
- ▶ On the go and in control. Visit [Westerncoop.com](http://Westerncoop.com) to sign up for SmartHub and manage your account from your computer, phone, or tablet.
